VOTE COUNT

- 1.** Vote count will be conducted by the Election Committee on the day of the election and Candidates will be notified of their respective tallies as soon as is practical. All ballot boxes will be counted twice, each by a different person. If tallies do not agree, the Election Chair will determine the final count.
- 2.** Each segment of the ballot will be treated as if it were a separate ballot. If it is clear for whom the voter selected in his/her Census Tract, all other extraneous markings will be ignored and the vote will be counted. Ballots without a highlighted Census Tract will be considered provisional, and added to the count only if the ballot does not alter the outcome.
- 3.** Candidates may send up to two observers to witness the vote count. Candidates, relatives of a Candidate or a member of a Candidate's campaign staff may not count ballots and may not participate in or be present at the counting of ballots.
- 4.** After the count, ballots will be kept at the Community Center office until the election is certified. Ballots may be recounted by the Altadena Town Council Election Committee upon a Candidate's written request. There will be no recounting of ballots after the election is certified by Town Council.

CHALLENGES

- 1.** Any violation of these Rules, Ethical Standards or By-Laws can result in the disqualification of a Candidate. The Altadena Town Council Election Committee will determine if a rules violation occurred during the election process and if it is significant enough to warrant a recommendation to disqualify a candidate.
- 2.** All election challenges and charges of rules' violations must be reported in writing to the Altadena Town Council Election Committee prior to the June 11, 2012 meeting of that committee.
- 3.** If a candidate's citizenship is challenged, that candidate will be required to submit proof of citizenship to the Altadena Town Council prior to the June 19, 2012 Council meeting.
- 4.** Any recommendation of disqualification by the Election Committee must be placed on the regular June 19, 2012 Altadena Town Council meeting agenda, and any evidence of violation must be provided to all Town Council Members by June 12, 2012.
