

Altadena Town Council Community Standards Committee

Minutes: September 10, 2013

1. **Members Present:** Mark Goldschmidt, Don Kirkland, Ed Meyers, Meredith Miller, Marge Nichols, Jim Osterling, Jonathan Potter. Absent: Don Kirkland, George Jenkins, Peggy Taylor, Dan Harlow. Regional Planning staff: Brianna Menke. Observers: Okorie Ezime, Steve Zeider.
2. **Minutes:** MSC approval of minutes of August 13
MSC approval of August 27 draft minutes with addition of supplemental material
3. **Reports:**
Chair – none
Vice Chair - Noted LA Times editorial on Air B&B (private home rentals with no food service), which has created backlash due to parking problems in Silverlake area. Marge noted that the Times had a prior article detailing the Air B&B situation. Brianna was asked to find out regulations on Bed and Breakfast establishments, which had previously been discussed.
Secretary – Circulated committee roster for updating.
4. **Old Business:** Chairman Meyers noted that several members have been submitting comments on Google Docs. A commenter can request notifications to a post, or notify all members of a new comment. Meredith reported looking at the Montrose CSD. It looks quite standard, and includes a lot of changes that we have discussed. It could be a starting place to enter our revisions and is available on Google Docs. The residential working group has been using the draft Land Use Committee document which was prepared some time ago. Mark will upload this file to Google Docs.
5. **Working groups:** Residential and commercial working groups split up for discussion. Upon reconvening there was a brief discussion of possible limits on frequency of filming and parking of film crew vehicles. Ed put a link to Film LA specifications on Google Docs. We should include specification of width of street left clear by film crew vehicles.
6. **Public comment:** There was no public comment.
7. **Adjournment:** Meeting adjourned at 8:50.
