The Altadena CSD committee would like to announce that the Regional Planning Commission (RPC) hearing, originally planned for September 14th to discuss the Altadena Community Standards District (CSD) update, has been moved back to October 26th at 9am. The RPC hearing will be held at 320 West Temple Street, Los Angeles, CA 90012 - Room 150.

Remote testimony will be made available for Altadena residents from Eaton Canyon Nature Center at the time and date of the hearing, on October 26th at 9:00 am. The address for the Eaton Canyon Nature Center is 1750 N Altadena Drive, Pasadena, CA 91107.

The RPC hearing on October 26th will be a continuation of the July 28th hearing held at Eliot Arts Magnet Academy. The reason for the request to push back the next hearing was due to desire by the committee to consider comments received and update the CSD accordingly. The CSD committee will use the additional time for both outreach and education before the next hearing.
