Altadena Safe Streets Committee Meeting **December 6, 2018 6:30 PM - 7:45 PM** Altadena Community Center, 730 E. Altadena Drive

Meeting Agenda:

1. (10 min) Welcome and Introductions

- Mission of the Committee
- Where do you live? What are your concerns, ideas about traffic and pedestrian safety and mobility?

2. (30 min) LA County Vision Zero Presentation, Q&A, Survey

- Miguel Ramos, LA County Dept. of Public Health, will present an overview of the County's new traffic safety initiative, Vision Zero, which aims to eliminate traffic-related deaths and serious injuries.
- Meeting attendees will be asked to complete a survey about their traffic safety experiences and perspectives.

***** Note, this will be a repeat of last month's Vision Zero presentation, to give more people the chance to take the survey. If you've already done the survey, there's no need to re-take it! *****

4. (20 min) Bird Scooter Presentation and Q&A, Kim Pluth, Bird

5. (5 min) Final Thoughts/Comments:

- Next meeting **January 3, 2019**

The Altadena Safe Streets Committee advocates for safe, inclusive, and healthy streets for all users, regardless of mode and ability by:

- 1. Informing and educating the community of the solutions to safety issues and possibilities offered by "Complete Streets" design.*
- 2. Collecting data by centralizing and synthesizing existing data with community-wide concerns and visioning exercises.*
- 3. Collaborating with governing bodies and community organizations to proactively propose solutions to transportation safety and mobility problems.*
