7.1 **PROJECT NUMBER R2017-003740, PERMIT NUMBER RPPL2017006242.** application by Theosophical Endowment Corporation, 643 E. Mariposa St, - **Please Note:** This is not a CUP and there will be no conditions added to the application. This permit is for a continuation of a variance. It is important to note, according to a conversation with the planner, there was a delay between the expiration of the last variance and the new one currently being applied for, which is the reason for the large gap in dates. Had there been no delay, there would have been no need for a hearing, the variance would have been issued, and this would never have come before the ATC. Billy Malone - 7.1.1 Public Comment
