Candidate – Altadena Town Council, Census Tract 4612

I first came to Altadena in the fall of 1984 upon acquiring the leases to operate the Altadena and Eaton Canyon Golf Courses for the County of Los Angeles.

I first became active in our community in the late 1980's when I joined the Altadena Chamber of Commerce Board of Directors, and I have been active in various community groups ever since.

I moved to Altadena in 1992, married, and started a family shortly thereafter.

I held the leases for the golf courses until the fall of 2012 and was active in the community that entire time. In the fall of 2013, I took a golf management position in the Central Valley of California, while my family remained in Altadena. Unfortunately, because of financial difficulties and water challenges due to drought, the owners elected to close the golf course in July 2015. I acquired my real estate license in September 2013 and after much contemplation, I decided to leave the golf industry and begin a new career in real estate.

I returned to Altadena in October 2015, commenced my real estate career on November 1<sup>st</sup>, and wasted little time before re-joining the Chamber Board of Directors and serving the Town Council as one of the Land Use Representatives for my census tract.

While our community is a wonderful place to live and work, we have our share of challenges and yet, there are always opportunities for improvement. I am a team player, have the appropriate skills and the drive to continue making positive contributions to our community. I look forward to continuing my efforts to make Altadena the best it can be and representing census tract 4612 on the Altadena Town Council.
