

Pat Sutherlen

Census Tract #4611

I was elected to the Altadena Town Council in 2014 after two careers in management and sales with major companies, one career in department stores and one career in banking.

Since I joined the Council, I have served on the ATC Land Use Committee, the Film Committee, the Election Committee and chaired the By-Laws Committee when we revised that document to bring it current.

I have served on the Executive Committee for 5 years, 2 years as Treasurer and the past 3 years as Vice Chair.

From the beginning, my personal goal has been better communication, both with other Council Members and with the Altadena Community at large. I communicate with residents of Census Tract #4611 primarily using Next Door and a separate email list for those who do not use Next Door. And, to be honest, daily walks with a Cocker Spaniel provide a lot of opportunities to visit with residents.

I thank everyone who has supported my efforts in the past and ask for your continued support in the future.
