Community Meeting

Building Community Resilience & Sustainability

We invite you to a virtual Census Tract Community Meeting on

Wednesday, April 21 at 6:00 - 7:30pm
(Just in time for Earth Day!)

As a community we will engage in an interactive Community Conversation hosted by the Altadena Libraries where we will ask:

What kind of community do we want to live in?
What actions can we take to make Altadena an even better place to live?

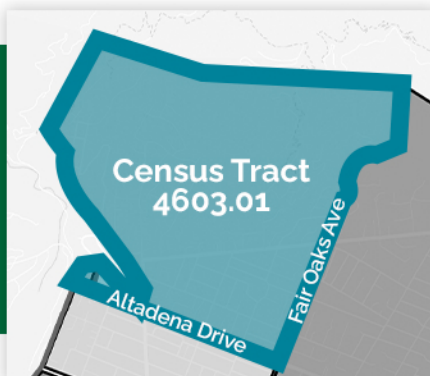

Then we will hear engaging presentations about the following topics with input from community groups:

Gardening Green: Sustainable Practices to Transform Our Outdoor Spaces
Fire Safety: Emergency Preparedness as a Tool for Connection

A great chance to get to know your newly elected Census Tract Representative Hannah Petrie and incumbent Dorothy Wong!
