Dear Congresswoman Chu:

The Altadena Town Council is saddened and angry to learn about the atrocious mass shooting that occurred in Monterey Park during what should have been a festive celebration of Lunar New Year. Our hearts are with you, the victims, the families who are experiencing trauma from losing a loved one or having a loved one injured, and the greater Asian community who is collectively suffering from this hateful act.

We denounce all forms of violence against Angelenos and especially against anyone in a minority or marginalized group who already bears the burdens of racism and hate.

Sincerely,

Veronica Jones
Chair
Altadena Town Council
