You are encouraged to attend the CERT meeting to learn more about this valuable community group, and how these volunteers assist both residents and first responders in times of crisis.

NOAA Weather Radios will also be available for distribution (one per household). These radios are an additional tool to help keep you informed about brush fires that may be threatening your community. If you would like to receive this **FREE** radio, please register prior to the event at: www.bit.ly/LACORadio3 or use the QR below. (Note: If you have previously registered for a radio, you do NOT need to register again.)

NOAA Weather Radios will be available for pickup anytime between 5:30 pm and 7:30 pm .
