- Look to see what is needed.
- August 15th= Site Visit (7:15 – 10:15 am)
- September= Workshop/Training
- October 10, Walk to School Day
- ASK PUSD to get in contact with Altadena Town Council about bus issue.

4. Safe Routes to School- Jazmine

a. Jackson Elementary School – Walking is unsafe.

b. Drop off issue for traffic is dangerous.

c. OTS Bicycle rodeo kit from PD and teaches students about bike/ped safety.

d. Granny- In Las Vegas, they have school zones- times when speed limit is 15 mph and when they do that, if you don't slow down, you will get a ticket. Can we get ticket sign up? 25 is maximum speed limit here when students are present.

e. Go to La Crescenta for ideas on similar issue.

f. 17 schools in Altadena.

g. Anne reported that she spoke with someone from Cal Walks and the representative indicated more grants opportunities next year.

5. Mapping Mobility- Complete Streets- Richard

a. Report:

- Who can we involve? Chamber of Commerce, bike groups, water districts (how to get capture runoff),
- Areas brought up: Altadena Drive speeding continuous problem, Marengo has challenges.
- Two old master plans was brought up and not reinvent the wheel.
- Walk Audits that are effective and done in a similar way.
- Bicycle Master Plan needs some updates.

b. Next Steps: Grants

6. Upcoming Projects: (Dot handed out information for the below projects)

a. New York Dr.

b. Washington Blvd.

c. Allen Ave.

7. LA County Public Works Representative – Andrew Ross

- Caveat: He doesn't know details about all the projects.
- Traffic Signal Timing Changes.
- Transit Planning- Long term/short term (apply to grants for new bike lanes and transit)

a. How can we get County prioritize, decide yes or no?

- There is someone designated to our area (Victor Le) in Altadena.
- Get a list of priorities from committee and from community input. Once information is vetted the county will input into the project list.
- Future Projects:

- Allen Ave repaving
- Lake Ave / Beverly curb ramp (sum 18)
- Lake Ave/Mendocino left turn phasing (Spring 19)
- Lincoln/ Crosby- ped-activated crosswalk signal (Spring 19)
- Lincoln/ Palm- ped-activated crosswalk signal (2019)
- Windsor/Fig- traffic signal (2021)
- Process: They get accident reports, then they do a study, then they get the results and this indicates whether changes are warranted or not.
- Best way to get improvements: Make a prioritized list of street concerns, get ATC to approve and send to Victor Le and Supervisor Barger
- Data collected is gathered from CHP.
- Anne: where are data reports collected?
 - Policy= When there is collision and the paramedics are collected, CHP will make report.
- Traffic Calming Stop Signs, Speed Bumps, Signals
- Complete Street Designs

b. How can we get County monthly updates? Will work with public works to do Quarterly updates.

*Jim offered to help with data collection.

*Granny: There is funding 3.8 billion dollars because of the jails being built.

*Town Council Member Veronica mentioned reaching out to Barger and not get a response from her regarding safe streets.

8. Closing and Next Steps

- Marietta would like to help with Safe Routes to School to help develop a package to send to Barger. She addressed the roundabout is not effective in Marengo.
