4. (5 min) Final Thoughts/Comments:

- Next meeting **November 1st** - Same Time, Same Place.

ACTION PLAN: The Altadena Safe Streets Committee advocates for safe, inclusive, and healthy streets for all users, regardless of mode and ability by:

- *Informing and educating the community of the solutions to safety issues and possibilities offered by "Complete Streets" design.*
- *Collecting data by centralizing and synthesizing existing data with community-wide concerns and visioning exercises.*
- *Collaborating with governing bodies and community organizations to proactively propose solutions to transportation safety and mobility problems.*
