Public Works COUNTY OF LOS ANGELES CITY OF PASADENA

Altadena Drive & Washington Boulevard Roadway Improvements Project

Project Overview
Los Angeles County Public Works will be reconstructing approximately 2 miles of roadway along Altadena Drive and Washington Boulevard in the City of Pasadena and the Los Angeles County unincorporated community of Altadena. This project will improve quality of life for residents and boost wear and tear on vehicles. This project will also help to preserve natural resources by using recycled and in place materials, resulting in cost savings and reduction in greenhouse gas, energy, and landfill deposition.

The Project Will:

- Repair and reconstruct damaged curbs, sidewalks, gutters, driveway aprons and curb ramps.
- Modify traffic signals.
- Repave the roadway.
- Include tree root pruning and planting.
